

BY JOSEPHINE

A detailed still life photograph of a French cafe interior. The scene is filled with various pastries and treats. On the left, a large glass jar holds dried branches with small white flowers. In the center, a three-tiered silver stand holds several round cakes. To the right, a tall, conical stack of macarons in various colors (white, pink, blue, green) is the centerpiece. In the foreground, there are two white teacups on saucers, a silver tray with small tarts, and a glass dome covering more pastries. The background is a soft, out-of-focus view of the cafe's interior, showing a wooden table and a white wall. The entire image is framed by a decorative dotted line.
